

2024 CREATIVE ARTS PRIZE BOOK

134TH SUMMER FAIR

AUGUST 7 - 11

CLE Creative Contributors

This is a picture of some of the demonstrators who have given their talent and so many hours of their time to the Canadian Lakehead Exhibition. There are others who are not pictured here, and I thank them all.

Included in this picture is Marian Benka (third from right), Chair of the Creative Arts Committee. In June of this year, Marian will celebrate 50 years of dedicated, loyal service to the CLE.

She has been in so many different roles, it would be difficult to name them all here. She has been an organizer, motivator, teacher, leader, mentor and a woman who gets things done no matter the circumstance or situation. Her love and devotion to the Fair has been the main reason for its success; her passion has been infectious and influential as she has made many friends and has inspired others to volunteer with the Fair as well. I want to thank her for her many years of dedication to the CLE. It is always a pleasure working alongside her and being part of her life.

I would like to thank Marian for her numerous, varied, and selfless contributions.

*Congratulations on your 50 years, Marian.
Well Done!*

- Elaine Curtis, Creative Arts Committee Member

7. The camera used can be 35 mm, 110, APS, or digital.
8. Each entry must have name, class, section, and title on the top right corner on the back of the entry. This will indicate to the judge's assistant the correct viewing orientation.
